17.7.09 END OF TERM

3.9.09 Autumn Term starts.

Half way through the Summer Term!

Well we're half way through the summer term let's hope the weather changes soon. We've got lots planned for the next few weeks!!

Swimming

Unfortunately the swimming pool is not ready. We have had to have a lot of work done on it and are spending a great deal of money but it will be worth it.

I am hoping that all children will swim before the end of term but it really depends on the contractors, sorry!

Plimsolls!

Now we're into the summer term our PE lessons are often outside so **please** make sure your children have either plimsolls or light weight trainers with their PE kit. Please can I also remind you that the schools PE Kit is a white t-shirt and maroon shorts.

Thank You.

Assessments in Year 2, 3 and 4

All the children have worked extremely hard this past half term when taking their tests and all have met the challenge calmly. Results of these tests will be reported to parents in the annual report - which will come home on Friday 3rd July.

School Council News.

This term we have talked to the extended school co-ordinator to discuss activities we would like her to put on for us over the summer holidays.

We have also been monitoring cloak rooms and awarding certificates to classes for the best kept cloak room.

Reminder: The Library is open every day 3.30—4.00. Please come and choose a book.

No Smoking!!!

Just to remind you this is a no smoking site. Please do not smoke in the playground or car park.

Thank You.

Cauldwell Lower School Association

Can I please ask for as much help as possible at our forthcoming Fete (19.6.09 3.00 —4.30pm) . It is usually a very successful event which raises money for equipment for **your** children.

Two projects we need to raise money for are the swimming pool and improving the playground environment.

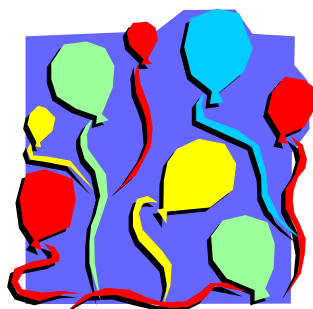

Without your help at events like the summer fair we would not be able to provide so much for your children.

We will be having a sponsored

dance, a fancy dress competition, stalls of goodies that you and your children will have made and much more.

If you can help please see me or Mrs Emerton or come to a meeting on Tuesday 2nd June at 8.45 am .

Thank You

Health Week 22.6.09 Sports Day 25.6.09

Yes, it's here again. Our focus this year is on healthy eating and we will also have the usual Sports Day. We are again fortunate in accessing sport students and teachers from Biddenham Upper School to run 7 sport workshops throughout Sports Day and all children will take part in at least three. Parents are invited to attend at any time during Health Week but the Sports day activities will start at 9.30 and finish at 2.30pm. **See you there.**

Please note:

Parents Evening (8.7.09) this term is an open evening for you to walk round the school see your children's work and meet their new teacher. The Governors will also be around for you to talk to. Hope to see you there.

Parent Support.

I am pleased to be able to welcome Liz Ward to our team. She is here to support you as parents and can be contacted on 07878791130.

Mrs Jellis is also available and will be running the parent coffee mornings from now on. The next meeting is on June 5th at Sure Start. (9.00—10.00)

School Profile.

This document replaces the Annual School Report from the Governors and is available on the Parent Centre website (www.parentcentre.gov.uk).

Copies are also available in the Parent information pocket in the entrance of school.

Gold!

I've saved the best news till last.....We have just been awarded the **Gold** Artsmark. This is in recognition of all the work we do in Drama, Dance, Music and Art. Mrs Leonard leads this area across the school and spent a lot of time on the application. The children were also interviewed. So well done to all. I am very proud.to be part of such an outsatnding team.

Thank You again for your support and I hope to see you at the Summer Fete !!
