21.7.10 **END OF TERM**

3.9.10 *Autumn Term starts.*

Half way through the Summer Term!

Well we're half way through the summer term let's hope the weather stays warm. We've got lots planned for the next few weeks!!

Swimming

Unfortunately the swimming pool pump broke last week. We have ordered a new one so hopefully the pool will be open very soon.

All children swim and therefore need to bring their kit every day (a towel and costume—we provide arm bands etc)

Plimsolls!

Now we're into the summer term our PE lessons are often outside so **please** make sure your children have either plimsolls or light weight trainers with their PE kit.

Please can I also remind you that the schools PE Kit is a white t-shirt and maroon shorts.

Thank You.

Assessments in Year 2, 3 and 4

All the children have worked extremely hard this past half term when taking their tests and all have met the challenge calmly. Results of these tests will be reported to parents in the annual report - which will come home on Friday 2nd July.

School Council News.

This term we have talked about ways we can communicate our ideas across the school and will shortly be presenting in an assembly.

We have also been thinking about our new extension and the need for some new class names. We have decided that we would all like a change—not birds. We will therefore be voting this term on the new names.

Reminder: The Library is open Tuesdays 3.30—4.00. Please come and choose a book.

No Smoking!!!

Just to remind you this is a no smoking site. Please do not

Cauldwell Lower School Association

Can I please ask for as much help as possible at our forthcoming Fete (25.6.10 1.30—3.00) . It is usually a very successful event which raises money for equipment for **your** children.

Two projects we need to raise money for are the swimming pool and improving the playground environment.

Without your help at events like the summer fair we would not be able to provide so much for your children.

We will be having displays of

children dancing, singing and stalls of goodies that you and your children will have made. If you can help please pop in and see me or come to a meeting on Tuesday 15th June at 8.55 am .

Thank You

Health Week 7.6.10 Sports Day 11.6.10

Yes, it's here again. Our focus this year is on safety. We will also have the usual Sports Day and healthy breakfast .We are again fortunate in accessing sport students and teachers from Biddenham Upper School to run 7 sport workshops throughout Sports Day and all children will take part in at least three. Parents are invited to attend at any time during Health Week but the Sports day activities will start at 10.00 and finish at 2.30pm. **See you there.**

Please note:

Parents Evening (14.7.10) this term is an open evening for you to walk round the school see your children's work and meet their new teacher. The Governors will also be around for you to talk to. Hope to see you there.

Parent Support.

I am pleased to be able to welcome Dionne Mellor to our team. She is here to support you as parents and can be contacted through school.

Mrs Jellis is also available and will be running the parent coffee mornings from now on. The next meeting is on June 14th at Cauldwell . (9.15—10.00)

School Profile.

This document replaces the Annual School Report from the Governors and is available on the Parent Centre website (www.parentcentre.gov.uk).

Copies are also available in the Parent information pocket in the entrance of school.

New Build

Our extension is well on its way now as I am sure you have all seen. It will be in use from September for all our year three and four children.

To enable us to make sure that all the equipment is in place and that the rooms are fit for purpose the local authority have given us an extra training day. Teachers will be working in school on 1st and 2nd September but children start on Friday 3rd September.

Thank You again for your support and I hope to see you at the Summer Fete !!
