

# CAULDWELL LOWER SCHOOL

Dear Parents,

Here is the curriculum information for Key Stage 1 for this term. We hope it helps you to know what the children are doing in school this term and will give you an opportunity to support particular themes or topics.

## **English:**

Revision for assessments in May. Following the Primary Framework, we will be looking at stories by significant children's authors, a variety of poems and non fiction writing. We will continue to focus on reading, writing and spelling skills

## **Maths:**

Revision for assessments in May. We are following the Primary framework. This will include work on addition, subtraction and the properties of numbers. Yr 2 will also be concentrating on learning multiplication tables, division and fractions. Problem solving will include work on time, money and measures. We will also be exploring properties of shapes.

## **Science:**

We will be learning about 'Life and living things'. We will investigate the needs of living things and lifecycles.

**ICT:** We will be looking at information all around us.

**Humanities:** In Geography we will be looking at contrasting localities. We will focus on Tocuaro in Mexico.

**Art, Design and Technology:** All children will explore assembling, joining and combining materials to make a mask and finger puppet.

## **Physical Education:**

In P.E lessons we will be developing ball skills, athletics and swimming.

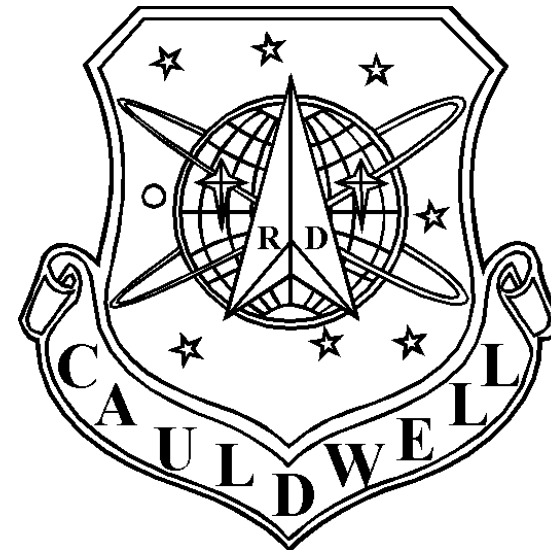

## **P.S.H.E:**

We will continue to promote self – esteem through Circle time and Special Person. We will follow the SEAL programme and discuss relationships and changes. Our Values for this term are responsibility and happiness.

**Music:** We will be looking at musical elements and learning some songs and games.

**R.E:** We will be looking at new life and exploring creation stories.
