

# Cauldwell Lower School

Dear Parents,

Here is the curriculum information for Key Stage 2 for this term. We hope it helps you to know what the children are doing in school this term and will give you an opportunity to support particular themes or topics. Below are some of the areas of learning that your children will be covering during the coming weeks.

## **English:**

We will be revising for QCA tests in May. This term's work will include adventure and mystery stories particularly by the same author. We will be looking at poems, riddles and a variety of other types of poetry. We will use letter writing for a variety of purposes. Handwriting will be an important focus too. Children must continue to practise daily reading and spellings at home as well as some independent research using encyclopaedias and other non fiction text.

## **Mathematics:**

Revision for QCA tests in May as well as rounding numbers, mental problems, addition, subtraction, multiplication and division. Fractions and decimals, problem solving related to time, data handling and measures including capacity.  
Shape – position, reflection and rotational symmetry.

**Science:** Materials: focus on solids, liquids and gases.

**ICT:** Use ICT program to compose and edit original tunes. We will also investigate the use of e-mailing..

**Art:** We will be looking at the paintings of Andy Warhol and print to create 21<sup>st</sup> pop art.

## **Technology:**

**History:** We will be studying the history of Chocolate and it's origins.

**Geography:** We are going to find out where in the world cocoa is grown and why, linking to the climate.

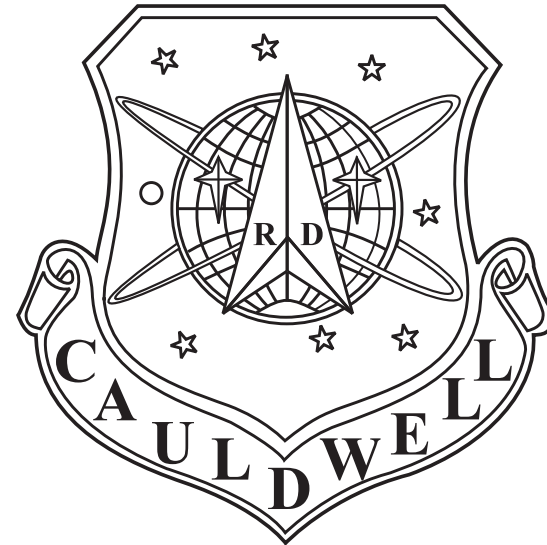

**Music:** We are going to use untuned instruments to study rhythm and pitch.

**P.E:** Team games and invasion games will be taught this half term then the focus will be on swimming and athletics next half term.

**R.E:** We will be reading and reflecting on important Bible stories.

**PSHE:** Work collaboratively through circle time activities. Coping with changes ie. middle school.
