Home/School Agreement

Working Together

At Cauldwell Lower School we aim to provide a happy, caring and secure environment in which we can all learn together. It is recognised that in order to achieve this all individuals within the school must be clear about the standards to which we are aspiring.

Working in partnership with the home we aim:

- To help the children to develop the attitudes, knowledge and skills needed for living in the 21st Century
- To develop a curriculum that excites and motivates the learner and the teacher
- To promote high levels of self esteem in children and adults
- To leave no-one behind
- To promote a safe and healthy lifestyle
- To promote community engagement and involvement
- To continue to strive for improvement by critical self evaluation
- To work as a team
- To ensure that learning is fun

The Staff Will Try To:

- ensure the school is a safe and comfortable place for everyone;
- encourage enthusiasm for all aspects of school life;
- teach effectively and set high standards of work and behaviour;
- be available should you wish to speak with them, (sometimes it may be necessary to make an appointment);
- arrange 'Consultation' days at which your child's progress will be discussed;
- provide equal opportunities for all; enable each child to learn.

We Hope That You Will:

- value the home/school' partnership and support us in our aims;
- ensure your child comes to school regularly, on time, refreshed, alert and ready for the day;
- take active and supportive interest in your child's work and progress;
- support the school's aim of achieving self-discipline and self-control in its children;
- support your child in opportunities for 'Home Learning'
- let the school know of any concerns or problems that will affect your child's work or behaviour; attend 'consultations' day and discussions about your child's progress.

We Expect Your Child To:

- consider and respect the feelings and property of others;
- care for equipment, books, furniture, buildings and grounds of the school;
- try to do their best in everything they attempt;
- behave appropriately.

I have read the home/school agreement and am willing to help the school be supporting it.
